fine handmade carpets since 1881

INDIA . DUBAI . SINGAPORE

Opposites. Since the dawn of time, they have existed in harmony - dark and light, joy and sorrow, strength and vulnerability.

Where one ends, the other begins. Distinct entities that are bound by an invisible thread, destined to dance together for eternity.

A dense field of red roses on a dark background. The roses are in various stages of bloom, creating a rich, textured pattern. The lighting is dramatic, highlighting the petals against the deep shadows.

THE RARE BEAUTY OF OPPOSITES

A new collection of nine distinct & fascinating pieces. Of dialogues between contrasts, in patterns, shapes, and textures.

Hand tufted in botanical silk and wool.

The carpets in the Hands Anonym collection are hand tufted with the finest botanical silk and wool. The harmonious presence of the two natural fibres is reflected in the carpets having a luxurious texture and an exquisite, untamed sheen.

MELTIX

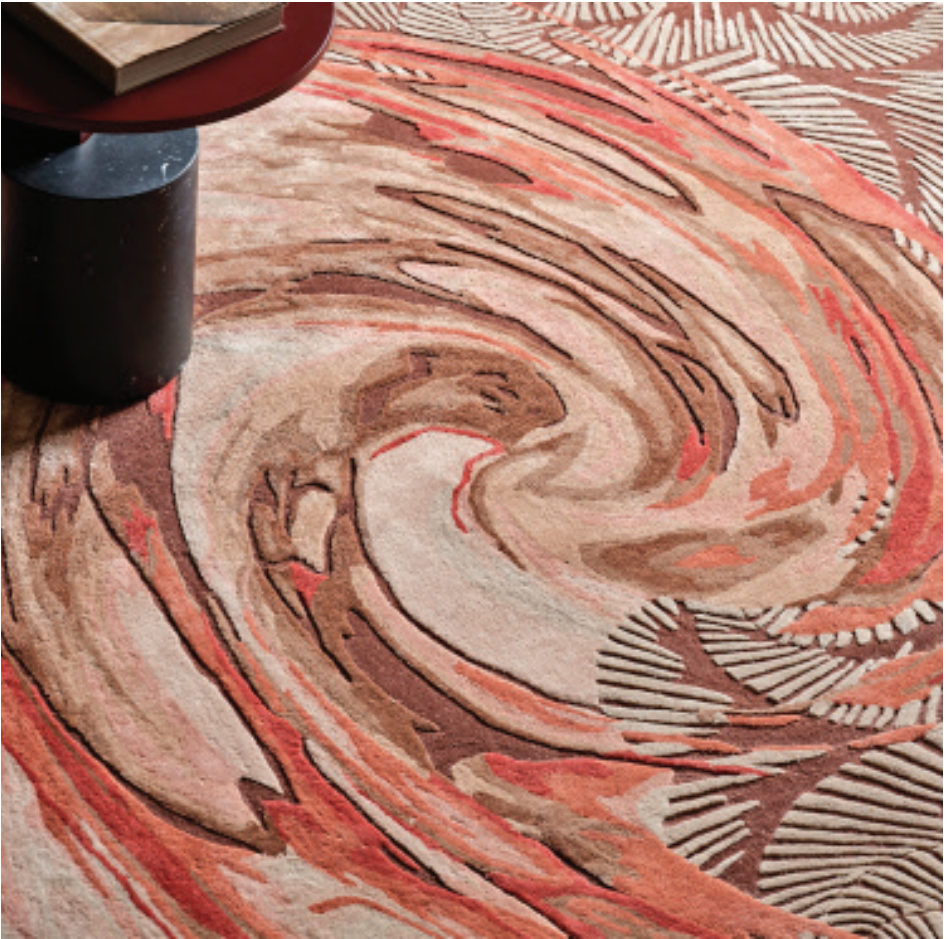

Where the lines between form and the formless fade.
Dissolving the boundaries of convention, making
way for the new. Like ideas, flowing freely across the
canvas of imagination.

Hand Tufted

100% Botanical Silk

Available in 5'6" x 7', *customisable to any size*

WHIRLWIND

A transcendent vortex where raw chaos metamorphoses into a vision of artistic splendour. Here, disarray becomes a joyous reinvention. Releasing unfettered energy with every swirl, ushering in the promise of landscapes yet uncharted.

Hand Tufted

Botanical Silk & Wool

Available in 8' x 10', *customisable to any size*

TWISTScape

Born of paradox, Twistscape beckons one to explore. Weaving fantasy into a familiar form until two seamlessly become one breathtaking whole. The meandering trails lead to an enchanting landscape birthed when opposites embrace - an oasis revealed only to those who seek.

Hand Tufted

Botanical Silk & Wool

Available in 7'6" x 9'5", *customisable to any size*

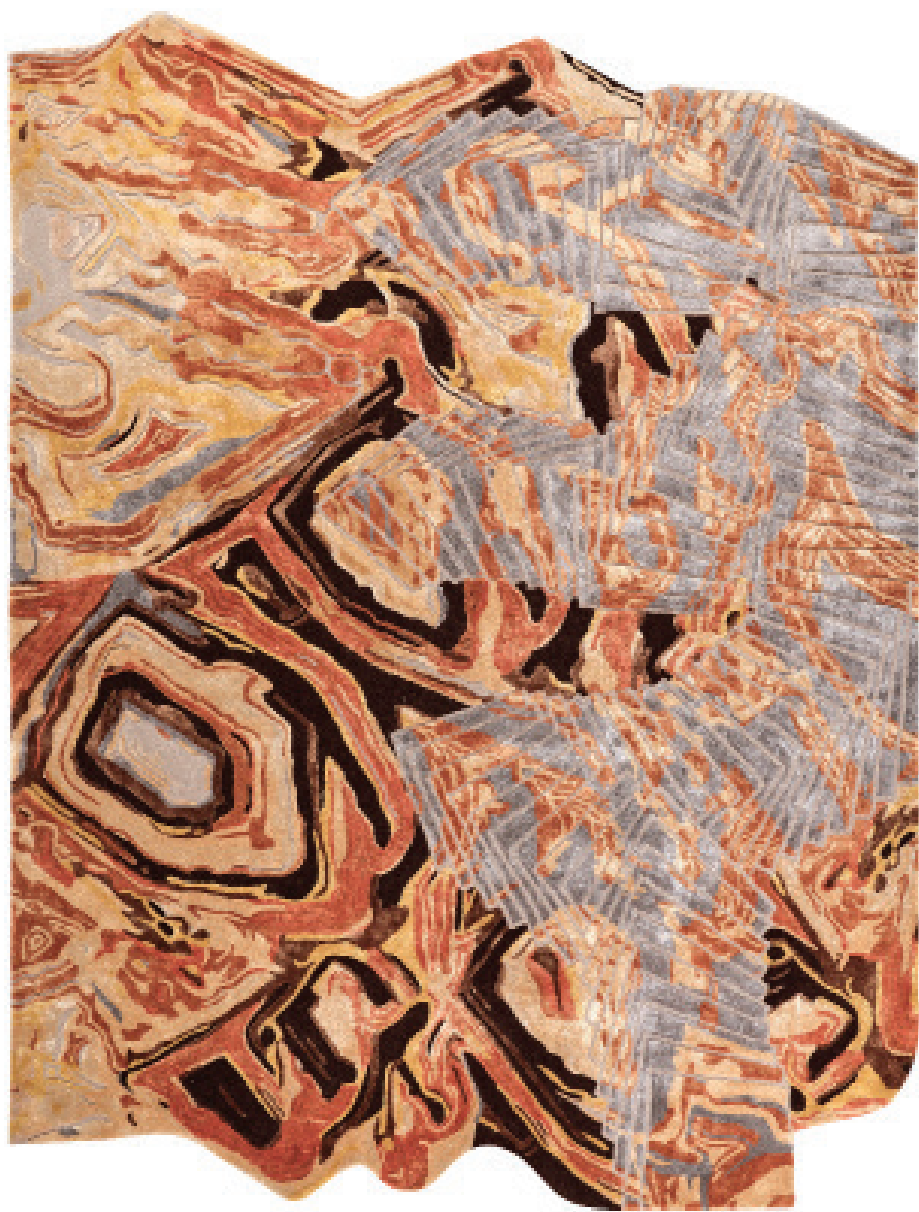

MARBLORE

A lore set in stone - where beauty and strength intertwine. The two primal forces once at odds, now united harmoniously for ages, with all the dichotomies of the earth captured in a dynamic tableau.

Hand Tufted

Botanical Silk & Wool

Available in 6'7" x 8'10", *customisable to any size*

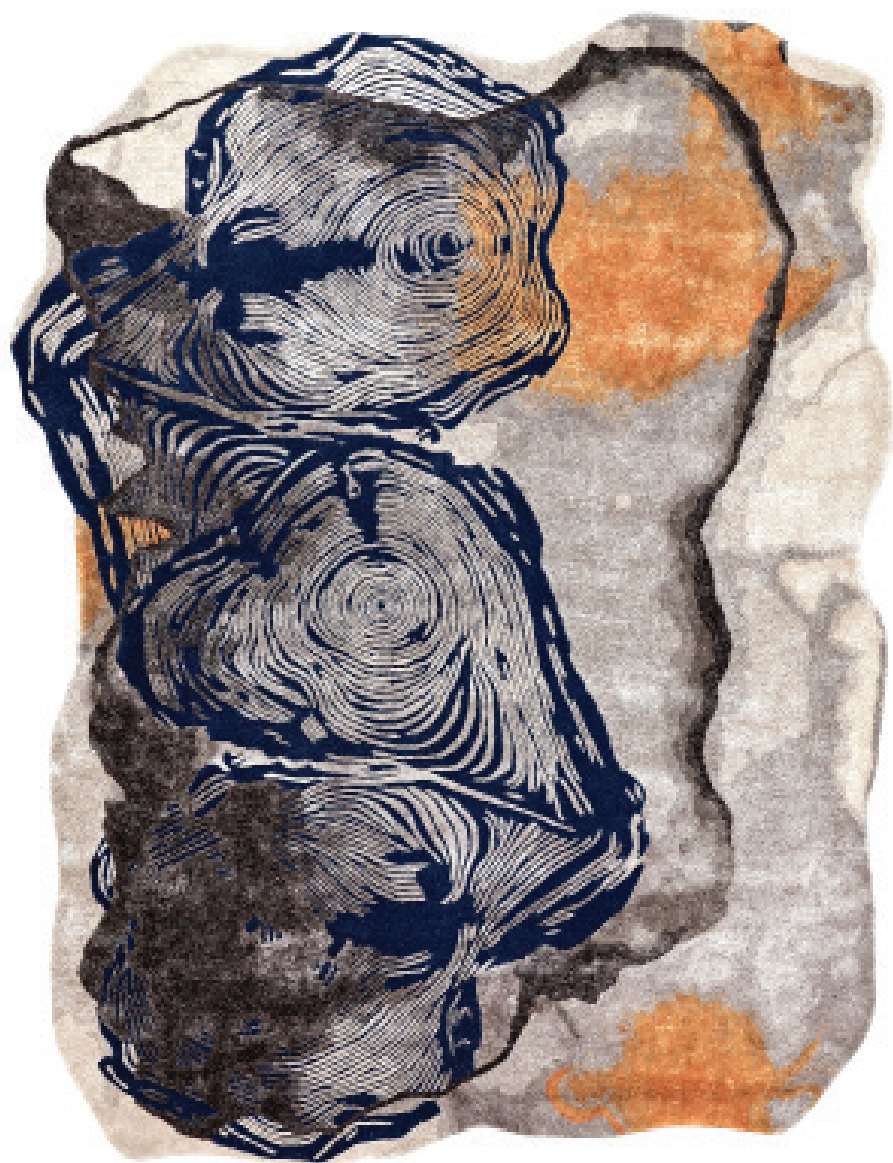

ISOLINE

A geometric soliloquy. When the peaks and valleys align, contours become legends, lines lead to revelations and a boundless realm between form and fantasy takes shape. The distances here contain multitudes waiting to unfold for minds that wander wide and wonder.

Hand Tufted

Botanical Silk & Wool

Available in 7'1" x 9'4", *customisable to any size*

ROSETWIRL

A floral pirouette with a monochromatic heart. The warm pastel colours spill over and textures temper one another in an enticing chromatic interplay. An elegant pas de deux of beauty and grace. Here, dualities bloom rather than collide.

Hand Tufted

Botanical Silk & Wool

Available in 7'11" x 8'11", *customisable to any size*

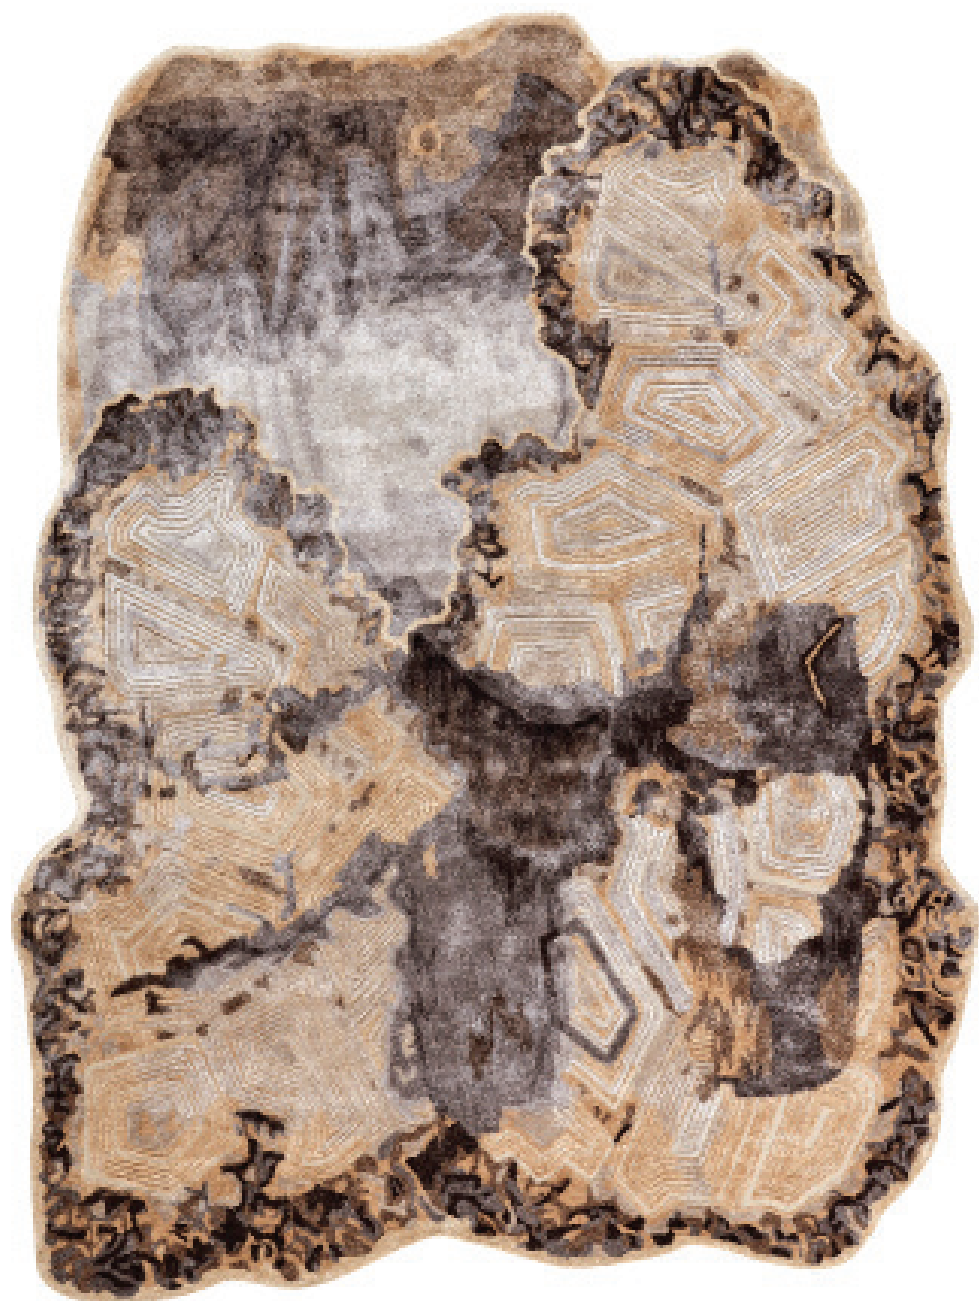

GEOMITER

Where mathematical harmony intertwines with the randomness of the creative impulse. Familiar forms, artfully truncated and tessellated into motifs, guide this dimensional piece to traverse dualities and offer a fresh perspective at every glance.

Hand Tufted

Botanical Silk & Wool

Available in 6'7" x 8'7", *customisable to any size*

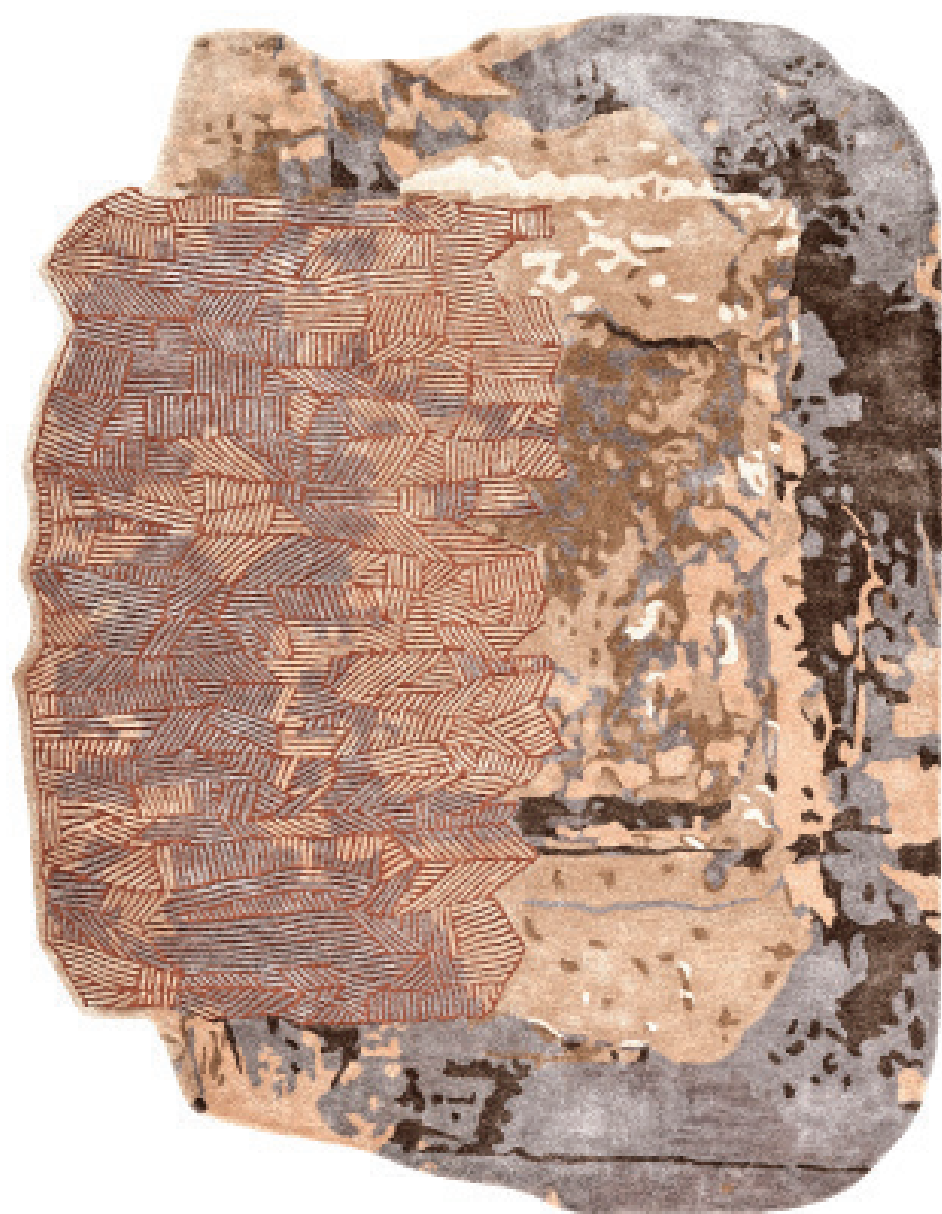

WONDERLAND

An invitation to rediscover the magic inherent in the everyday. Each glance becomes a journey through whimsy, and curiosity, where wonder is not an isolated moment but a perpetual companion within the rhythm of daily life.

Hand Tufted

Botanical Silk & Wool

Available in 5'5" x 7', *customisable to any size*

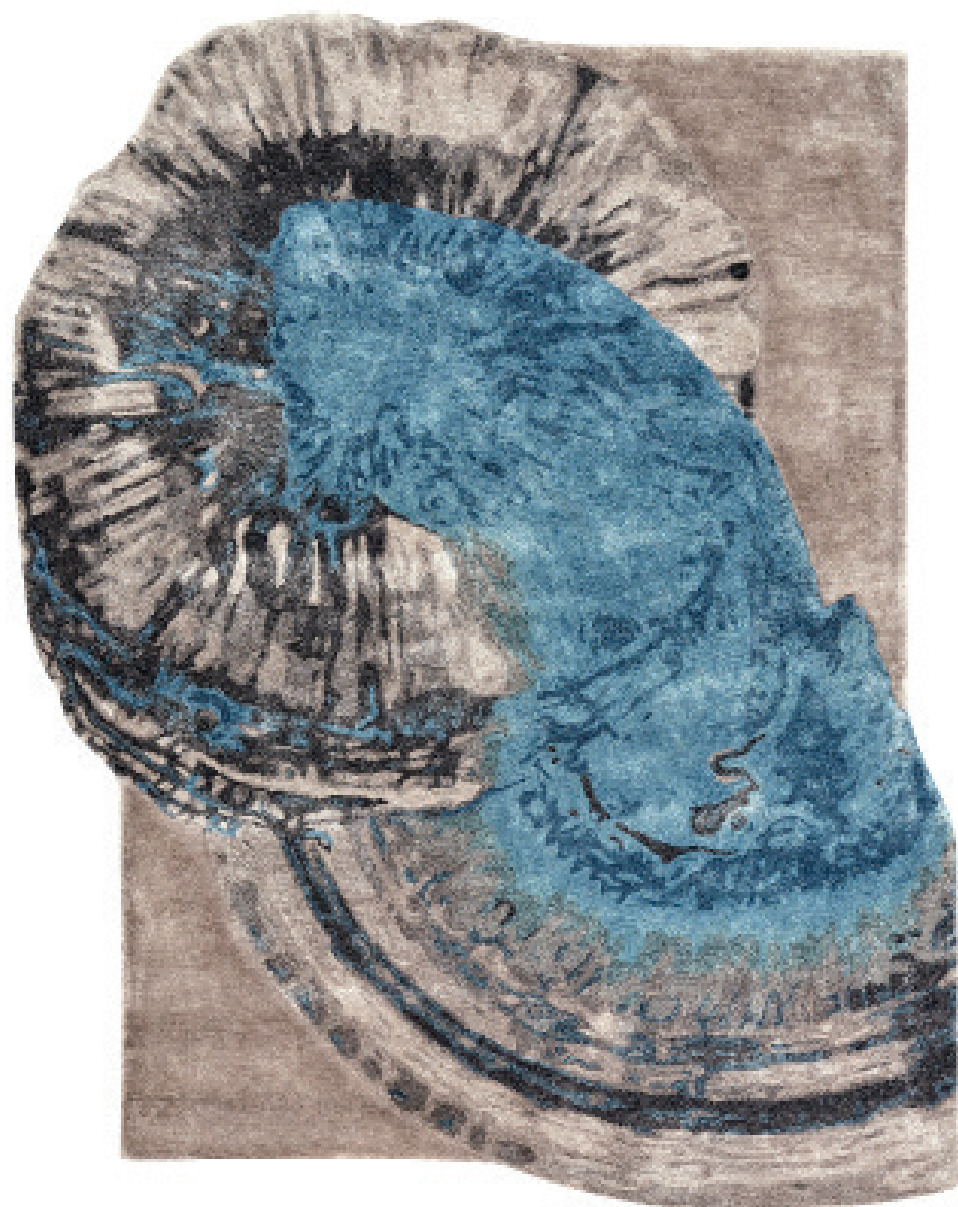

BLOOMBELL

A mesmerising bloom untouched by birds or breeze. Here, simplicity and allure combine in a visual symphony. The petals, stilled mid-bloom, like notes held in an indrawn breath, await the synergy of mind and heart to impart fullness.
